

FIBA Players' Agents Certification Process
FIBA Players' Agents Licence

Dear Friends,

On 1 September 2006 the amended Internal Regulations of FIBA came into force including the Regulation Governing Players' Agents contained in:

BOOK 3 - Chapter IV - Articles 132 to 173 (referred to as 3-132 to 3-173) - pages 24-29

These regulations govern the activities of Players' Agents who bring about or assist in the international transfer of players or coaches. The aim of these regulations is to make sure that a high standard of quality and transparency is guaranteed for the activities of players' agents and transfers in the FIBA family.

In order to implement these Regulations, a "Certification Process" has been put in place according to which:

1. Any individual wishing to act as an agent in the international world of basketball and within the FIBA family must be licensed by FIBA with a so-called FIBA Players' Agents Licence.
2. The requirements for the granting of the Players' Agents Licence by FIBA are laid down in **Articles 3-138 to 3-152** of the Regulation Governing Players' Agents available on our webpage www.fiba.com/Agents - free downloads.

Please find hereafter the practical information for any Players' Agent wishing to be certified.
