The 12 participating teams compete for two days for the pride to represent their city, a USD 20,000 cheque and a chance to qualify for the FIBA 3x3 World Tour Bloomage Beijing Final on October 21-22 2017

COMPETITION FORMAT

The following events are featured at each World Tour event:

Main Event

The 12 teams are divided into 4 pools of 3 teams playing in a round-robin first round against their two respective pool opponents. The top-two placed teams from each pool advance to a standard knock-out round which starts at the quarter-finals stage.

The winners of the 7 Masters, (Saskatoon, Utsunomiya, Prague, Lausanne, Debrecen, Chengdu and Mexico City) plus the best teams in the World Tour standings at the end of the season (between 5 and 11 depending if a team has won more than one stop) qualify for the FIBA 3x3 World Tour Bloomage Final, which will be staged in Beijing on October 21-22 2017.

Dunk Contest

Dunkers have 75 seconds and 3 attempts per round to complete a dunk. An attempt means the dunker had the intention to dunk and he or the ball touched the rim and/or the backstop unit. The only exception to the 75-second-rule is the third round of the final where there is no time limit. The 75 seconds start running once the dunker's name is called up. The first successful dunk is considered the valid one. A dunk is considered successful if the ball does not leave the ring in an upward vertical direction after it has left the dunker's hand. The dunks are marked (0, 5-10) by each one of the 3 members of the jury.

Professional Dunkers:

- Dmitry 'Smooove' Krivenko
- Kristaps Dargais
- Winner of the Dunk Contest Qualifier (5.10pm on Friday)

Shoot-Out Contest

The Shoot-Out Contest qualification takes place on the first day and the final on the second.

Qualification:

- A maximum of one player per team participates in the qualification
- Each player shoot ten balls from the top of the arc in the shortest amount of time
- Participants are ranked by successful shot and by time in case of tie
- The best 4 qualify for the final

Final:

- There are three racks of five balls worth one point from three different spots behind the arc and one rack of three 'moneyballs' worth two points from the end line (11 metres)
- Time limit is a 60-second shot-clock.
