

FIBA Players' Agents Certification Process for FIBA Players' Agents License

Dear Friends,

On 1 September 2006 the amended Internal Regulations of FIBA came into force including the Regulation Governing Players' Agents contained in:

BOOK 3 - Chapter 9 - Articles 282 to 323 (referred to as 3-282 to 3-323)

(Pages 50-55)

These regulations govern the activities of Players' Agents who bring about or assist in the international transfer of players or coaches. The aim of these regulations is to make sure that a high standard of quality and transparency is guaranteed for the activities of players' agents and transfers in the FIBA family.

In order to implement these Regulations, a "Certification Process" has been put in place according to which:

1. Any individual wishing to act as an agent in the international world of basketball and within the FIBA family must be licensed by FIBA with a so-called FIBA Players' Agents Licence.
2. The requirements for the granting of the Players' Agents Licence by FIBA are laid down in [Articles 3-288 to 3-302](#) of the Regulation Governing Players' Agents available on our webpage www.fiba.com - free downloads.

Please find hereafter the practical information for any Players' Agent wishing to be certified.
