FINAL 4

FRANCA 2023

WELCOME LETTER

Welcome to Franca, Brazil!

We are thrilled to have you join us at the Basketball Champions League Americas Final 4. In this fourth season we have had the privilege to host 12 teams from seven countries across the Americas region and watch the most elite players battle it out for a chance at the BCL Americas title.

There are only four teams left: Quimsa (ARG), Minas (BRA), Flamengo (BRA), and our gracious host Sesi Franca (BRA). These four clubs have earned their place in the Final 4 after defeating tough opponents in the Group and Quarterfinal stages. They will now face each other in direct elimination games at the historic Ginásio Poliesportivo Pedro Morilla Fuentes, better known as Pedrocão. The winners will then advance to the BCL Americas Final, which will be played April 15th.

It has been an honor to witness the excitement Season 4 has brought us so far, and to root for all our stellar players. We cannot wait to see who will crown themselves champions!

Sincerely,

Carlos Alves
Executive Director

TROPHY

The winner of the Basketball Champions League Americas will be recognized as the best team in the only continental league in the region. The champion will have the opportunity to hoist the shiny BCLA trophy and will secure their place in the FIBA Intercontinental Cup.

The gold trophy measures 60 centimeters in height. It has 12 laser-cut points made to represent each of the participating teams. At first glance the 12 interlaced bands make the trophy look like a gold basketball hoop net. At the base, it is completed on one side with the FIBA logo and on the other side with the BCL Americas logo and the inscription "Champion 2022-2023".

The trophy was created by Rilux, company founded in 2000 in Belo Horizonte (Brazil), developer of design projects in award segments. Rilux has state-of-the-art equipment to transform metal into varied objects and has customers in Brazil, Argentina, Chile, the United Arab Emirates, Japan, Spain and the United States.
