The system of competition is as follows:

32.3 MEDIA WORKING ROOM

The Organisers shall provide, within the area of the hall and close to the media tribune, a working area reserved entirely for the media, equipped with tables, power outlets and high quality broadband internet.

32.4 MIXED ZONE

32.7 GAME STATISTICS

It is recommended that the official statistics of the game (box score) be distributed to the media in the media tribune, at the end of each quarter. Any other printouts (e.g. play-by-play, shot charts, etc.) can but do not have to be distributed.

For shorter sessions of sixty (60) minutes or less, only the last five (5) minutes are media minutes.
- ➔ Post-game press conference: no later than fifteen (15) minutes after the game the Head coach plus a player who played a significant part in the game must attend a post- game press conference (in a home and away format: the visiting team attends first, followed by the home team).
- ➔ The press conference must be conducted in English and, where possible, in the language of the home team. It is the home team's responsibility to provide a translator in the correct language to facilitate the press conference.
